

Helder Braga - Me Chama de amor

Tom: A

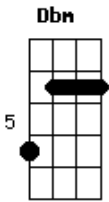

Quero te acordar com flores
 Beijar a sua boca
 Vendar seus olhos com um lenço
 Assim te deixar louca
 Quebramos todas as barreiras
 Na hora de amar
 Quero te fazer carinho e depois te amar
 Gostoso te acariciar te ver rasgando a roupa

Ouvir você dizer que eu to te deixando louca
 Assim explode o nosso amor
 Sem pressa de acabar
 Beijos da cabeça aos pés
 Só pra te ouvir gritar
 Me abraça , me beija, me assopra o calor
 Morde, me arranha
 Me chama de amor
 Me chama de amor
