

# Helene Fischer - My Heart Belongs To You

Tom: C

Intro: C F C F

C

So wild and free the day you came into my life

Then tenderly I saw an angel in your eyes

And I felt your heart was beating with every beat of mine

A moment gone, and I was lost in time

My heart belongs to you

Now I know it's true

I can't help getting lost inside this feeling

My heart belongs to you

What I speak is true

My life, my heart belongs to you

I feel no doubt, I know the words I have to say

We will go on, until forever has no days

'Cause I know what your heart feels with every beat of mine

And what we have will last beyond all time

My heart belongs to you

Now I know it's true

I can't help getting lost inside this feeling

My heart belongs to you

What I speak is true

My life, my heart belongs to you

Ohhh ohhh

So deep inside I'm feeling, it's something deep within

I can feel this love we have begin

My heart belongs to you

Now I know it's true

I can't help getting lost inside this feeling

My heart belongs to you

What I speak is true

My life, my heart belongs to you

My life, my heart belongs to you
