

Helene Fischer - Only Dreamers

Tom: F
Intro: Dm C Dm C

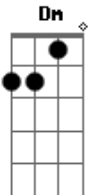

Dm Gm
In days gone by we used to go
A7 Dm
To rundown coffee shop
Gm
We'd laugh and sing the night away
A7 Dm
would listen, I would talk
Gm
And then gone were the nights, were the days
Dm
were gone forever
Gm
We had plans, we had schemes, we had us
A7
But it wouldn't last, oh no
Dm Gm C
Were we only dreamers in a dreamer's world
F
Only dreamers, thought we owned the world
Bb F
A7 Em7b
When we started our song we thought the world would sing along
Dm Gm C
Were we only young, so full of hope and dreams
F
When you're young then you believe in things
Bb F A7
If we meet again now would we see
Dm C Dm

We forgot to dream
Dm Gm
Our hearts were full of sentiments
A7 Dm
And our lives were full of life
Gm
We saw the wrong and talked about
A7 Dm
All the ways we'd make things right
Gm
Would we still have the want, have the need
Dm
Now to make the changes
Gm
We had plans, we had schemes, we had us
A7
But it wouldn't last, oh no no
