

Hélio Sancon - Sacrifício Perfeito

Tom: C

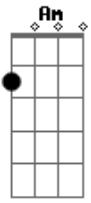

Venham todos os povos
 Ao banquete do amor
 Receber o cordeiro
 Que na cruz se imolou
 Sacrifício perfeito
 Sinal de unidade
 Suprema caridade
 Por amor nos salvou
 Vinde pobres sedentos

Sem temor comungar
 Do pão e do vinho
 Que se consagra no altar
 Onde o pão se faz carne
 Santa refeição
 E o vinho se faz sangue
 Nossa comunhão
 Vinde todos provai
 Nesse alimento o amor
 Onde Deus se faz tudo em nós
