tom:
 Capotraste na 5ª casa
 Intro: **Dm**

Dm
 A word unpenned holds me by my angst again
 Unbidden and unsent

 Her face, displaced
 A thought I once chased and placed in sacred verse

 Now I've raised only for my pride

 Unloved and unheard by those who will not

 A sham, dodging your own draft

 Can I be your girl?
 Cuz in this age, called by what it escapes to be
 An undying, roaring symphony on your TV

A
 screen

Dm
 And though

Gm
 I feel

Dm A
 So, so sure

Dm Bb E7 A
 And though it pays well to feel like hell

Dm Bb E
 The truth's I want you, but can't
