Tom: E

E Abm
I woke up tired with you laying old
E Abm
And I wondered why my bed was cold
E
And I thought could you have gone
Abm A
And if so what went wrong
E
And why would I let you go?
Abm A
Why would I ever let you go?
A B Dbm E
Sometimes love can turn a heart, yes it's lonely
A B Dbm E
Sometimes I wake up old and all alone

A B Dbm
Oh no, what if I never knew your name
E A
Oh my God, that's insane
B Dbm
What if you love is not the same
E A
As it seems inside my brain
B Dbm
What if you're not really in my sheets
E
Oh, Oh, Oh
A B E
Just the thought gives me the creeps

E Abm
I woke up young in lovers' love
E Abm
And I felt my luck, and I felt your touch

And my skin it wondered how
Abm A
And my skin it wondered how
E
Cause you'd be touching me right now
Abm A
When in sleep you can't be found

A B Dbm E
Somehow, something has carried our love through the years
A B Dbm E
Some how I still carry on but in my fears
A B Dbm
Oh no, what if I never knew your name
E A
Oh my God, that's insane
B Dbm
What if you love is not the same

As it seems inside my brain

Oh, Oh, Oh
A B E
Just the thought gives me the creeps
