Primeira Parte:

Hey, brother  
I miss you so  
You knocked on heaven's door  
And we won't see you anymore  
It must be crazy  
What we're living for  
'cause god's stopped keeping you  
On the ladder of your life  
I call your name with tears in my eyes

Refrão:

I don't wanna cry no more  
Past gave me happiness and pain  
Life is fleeting like a floooo...wer  
From a distance, after sorrow  
I pray the lord to keep your soul  
I don't wanna cry no more  
We're still miii...ssing you

Segunda Parte:

Life's like walking  
On a high wire  
You slipped away  
I've seen you dying in a vein  
High as a mountains seem all the problems that i have  
But when i hear your voice far away out of teh dark  
You just go on and on in the back of my mind
