

Halloween - Light The Universe

Tom: G
Intro: Em

Em
In a house up the hill

Lays a boy, he's sleeping still

And the time's creeping by

Till the world prepares to die

Then again out of dust

Will arise what ended last

And the boy will awake

Give his dream a little brake

And the story now goes on and on and on and on and on (and on...)

As the old has died the new arises

And a child will

Light the Universe

Light the Universe

We got blind, we can't read the signs

Light the Universe

Light the Universe

We don't find what's hidden in our mind

Light the Universe

Light the Universe

We got blind, we can't read the signs

Light the Universe

Light the Universe

We don't find what's hidden in our mind

Under sand in a sea

Covered with eternity

Beats a heart with no fame

Quietly whispering my name

Em

When my time has run out

I will hear it very loud

Telling tales I once knew

But forgot by losing you

And the story now goes on and on and on and on and on (and on...)

As the old has died the new arises

And a child will

Light the Universe

Light the Universe

We got blind, we can't read the signs

Light the Universe

Light the Universe

We don't find what's hidden in our mind

Light the Universe

Light the Universe

We got blind, we can't read the signs

Light the Universe

Light the Universe

We don't find what's hidden in our mind

In a house up the hill

Lays a boy, he's sleeping still

And the time's creeping by

Till the world prepares to die...
