

Helluva Boss - I.M.P Jingle

tom:
 When you want somebody gone
 And you don't want to wait too long
 Call the Immediate Murder Professionals
 Hand grenade or cyanide
 We'll make it look like suicide

The Immediate Murder Professionals
 We do our job so well
 Because we come straight up from hell
 We'll kill your husband or your wife
 We'll even let you keep the knife
 We're the Immediate Murder Professionals
 Kids die for free
