

Helluva Boss - I Will Be Okay

tom:
 C C
 C
 Your boxes packed up on the bed
 Am
 Your words are in my head
 F
 Tellin' me that we'll be okay
 C
 You'll remember what you said
 C
 Or was it just another lie?
 This place that used to be your home
 Am
 Would you call me on the phone?
 Will I hear your voice in the middle of the night
 F
 When I turn off the lights?
 C
 Or are you just another ghost?
 Oh
 Am C
 How could you lie to my face?
 F

And did our time mean nothing to you?
 Fm
 Were you bluffing all along?
 Am C
 That you would be there to see
 F
 Yourself forgiven by me
 Fm
 If you thought that I'd take it you were wrong!
 F Fm
 Oh you were wrong!
 C E
 And when you're gone I will be okay
 F C
 I will be okay, though I'll never be the same
 C E
 And I'll know that I was right to doubt you!
 F C
 I'll grow without you and you'll only know my name
 C E
 You always told me I'd be okay
 F C
 Well I'll be okay, though I'm not okay today
 C E
 But my tears won't fall upon your shoulder
 F C
 I'll just get older and you'll only know my name
