

# Helon Borba - Leva-me

tom:

C

F

Leva-me pra perto, Quero estar contigo Deus  
 Leva-me pra rocha que é mais alta do que eu

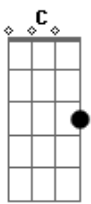

Leva-me pra casa comemorar  
 Que vens morar comigo, amigo  
 Vem que tenho pressa pra despejar  
 O morador antigo, amigo

Senti Teu abraço quando me ajoelhei  
 O tempo se tornou amigo quando me prostrei

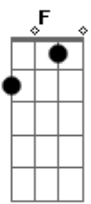

E pedi respostas e me destes a graça  
 E de graça em graça me guardas em Tuas asas

Leva-me pra casa comemorar  
 Que vens morar comigo, amigo  
 Vem que tenho pressa pra despejar  
 O morador antigo, amigo
