tom:
Intro: Gbm A E D

[Refrão]

Honey I know mm mm
Wherever you go mm mm
I'd give up half of forever
I'd give up half of forever uh oh

[Primeira Parte]

They don't know
They never will
What we have
And how we feel
They can't take this love away-ay-ay-ay-ay

Clouds will come
Come with rain
And we'll grow old
Old and grey
But we're not bound by time and spa-a-a-a-a-ace

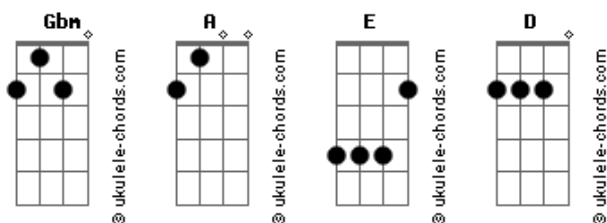

[Refrão]

Honey I know mm mm
Wherever you go mm mm
I'd give up half of forever
I'd give up half of forever

Offer me up, I'm yours
All of my love, I'm sure
I'd give up half of forever
I'd give up half of forever
Just to be with you

Ooh ooh ooh
Just to be with you
Ooh ooh ooh

Acordes

Just to be with you
Ooh ooh ooh ooh ooh ooh
I'd give up half of forever
Just to be with you

[Segunda Parte]

So baby be mine when the sun sets
Til the day that it doesn't come up yea
Run away til our lungs give up
I'll breathe your air til I turn to the dust
