

Henrique Cerqueira - Meu Erro

Tom: D

Já não agüento mais

o tempo todo eu só penso em você
diálogos a imaginar

Declarações de amor que eu não vou dizer

Ontem eu lhe vi na festa

you were the girl who was so beautiful...

Not anymore

I won't say...

I've asked God,

Forces me to tear you out of my heart,

He himself is the one who said so

Just love your neighbor as I love myself...

my mistake...

I
I love you less...

I
I love you more...

I
I pay attention to the smallest details

Certain signs..

Who has a different look,

A strong hug, Reveal - me something more...

Then you always succeed,

And you close for love, what a pain...

I've given up... I've called...

Bye bye..

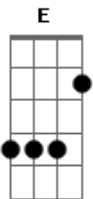

I've asked God,

Forces me to tear you out of my heart,

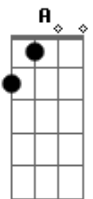

He himself is the one who said so

Just love your neighbor as I love myself...
