

Henry Moodie - Drunk Text

tom:
 C
 5Th of November
 When I walked you home
 Am Em
 That's when I nearly said it
 F
 But then said "Forget it, you fool"
 C
 Do you remember?
 Em
 You probably don't
 Am
 'Cause the sparks in the sky
 F G
 Took a hold of your eyes while we spoke
 C
 Yesterday, drank way too much
 Am
 And stayed up too late
 Dm
 Started to write but I wanna say
 G
 Deleted the message, but I still remember it said
 C Em
 I wish I was who you drunk texted at midnight
 Dm
 Wish I was the reason you stay up 'til 3
 And you can't fall asleep
 F G
 Waiting for me to reply
 C Em
 I wish I was more than just someone you walk by
 Dm
 Wish I wasn't scared to be honest and open
 Instead of just hoping
 F Fm
 You'd feel what I'm feeling inside
 C
 April the 7th
 Em
 And nothing has changed
 Am
 It's hard to get by

F
 When you're still on my mind every day
 C
 Sometimes I question
 Em
 If you feel the same?
 Am
 Do we make stupid jokes?
 F G
 Trying to hide that we're both too afraid to say
 C Em
 I wish I was who you drunk texted at midnight
 Dm
 Wish I was the reason you stay up 'til 3
 And you can't fall asleep
 F G
 Waiting for me to reply
 C Em
 I wish I was more than just someone you walk by
 Dm
 Wish I wasn't scared to be honest and open
 Instead of just hoping
 F
 You'd feel what I'm feeling inside
 Dm
 Oh, and here we go again
 G
 Destroy myself to keep my friend
 Em F
 Hiding away 'cause I was afraid you'd say no
 Dm
 I wonder if I cross your mind
 G
 Half as much as you do mine
 Em
 If I tell you the truth
 What will I lose?
 F Fm
 I don't know
 C Em
 I wish I'd sent you that drunk text that midnight
 Dm
 I was just scared it would ruin our friendship
 But I really meant it
 F Fm
 I wonder how you would reply
