

Henry - It's You

tom:

[Primeira Parte]

Baby I'm falling Head over heels
 Looking for ways to let you know just how I feel
 Wish I was holding You by my side
 I wouldn't change a thing cause finally it's real

Tryna hold back You oughta know that
 You're the one that's on my mind
 I'm falling too fast Deeply in love
 Finding the magic in the colors of you

[Refrão]

You're the right time at the right moment
 You're the sunlight keeps my heart going woah
 Know when I'm with you
 Can't keep myself from falling
 Right time at the right moment

You, It's you
 You, It's you

[Segunda Parte]

Baby I'm falling Deeper in love
 Everything that you are is all I'm dreaming of
 And if I can break enough to show you that I need us
 I'd give up everything I have girl just for you woah

Tryna hold back You oughta know that
 You're the one that's on my mind

I'm falling too fast Deeply in love
 Girl all I need to breathe is you

[Refrão]

You're the right time at the right moment
 You're the sunlight keeps my heart going woah
 Know when I'm with you
 Can't keep myself from falling
 Right time at the right moment

[Ponte]

Every night in my bed I'm dreaming
 That It's you in my arms I'm holding
 Girl all I want is you

You know you're the right time
 At the right moment
 You're the sunlight keeps my heart going

[Refrão]

You're the right time at the right moment
 You're the sunlight keeps my heart going woah
 Know when I'm with you
 Can't keep myself from falling
 Right time at the right moment

You, It's you
 You, It's you
 You, It's you
 You, you, It's you
