

# H.E.R. - Every Kind Of Way

tom:

Intro: G F G F

[Primeira Parte]

Baby, the sound of you  
 Better than a harmony  
 I want you off my mind  
 And on me  
 Holding me closer than we've ever been before  
 This ain't a dream  
 You're here with me  
 Boy, it don't get no better than you  
 For you, I wanna take my time  
 All night

[Refrão]

I wanna love you in every kind of way  
 I wanna please you, no matter how long it takes  
 If the world should end tomorrow and we only have today  
 I'm gonna love you in every kind of way

[Segunda Parte]

Give you all, give you all of me  
 When you need it

'Cause I need it  
 I wanna fall like your favorite season  
 I'll never get up  
 Stay here forever, babe  
 It don't get no better than this  
 Your kiss

[Refrão Final]

I wanna love you in every kind of way  
 I wanna please you, no matter how long it takes  
 If the world should end tomorrow and we only have today  
 I'm gonna love you in every kind of way  
 I wanna love you in every kind of way  
 I wanna please you, no matter how long it takes  
 If the world should end tomorrow and we only have today  
 I'm gonna love you in every kind of way

I wanna love you  
 I gotta love you  
 I wanna love you  
 I gotta love you

[Final] Bm7 Em7 Am7 D2 G
