

H.E.R. - Every Kind Of Way

tom:

Intro: G F G F

[Primeira Parte]

Baby, the sound of you
 Better than a harmony
 I want you off my mind
 And on me
 Holding me closer than we've ever been before
 This ain't a dream
 You're here with me
 Boy, it don't get no better than you
 For you, I wanna take my time
 All night

[Refrão]

I wanna love you in every kind of way
 I wanna please you, no matter how long it takes
 If the world should end tomorrow and we only have today
 I'm gonna love you in every kind of way

[Segunda Parte]

Give you all, give you all of me
 When you need it

'Cause I need it
 I wanna fall like your favorite season
 I'll never get up
 Stay here forever, babe
 It don't get no better than this
 Your kiss

[Refrão Final]

I wanna love you in every kind of way
 I wanna please you, no matter how long it takes
 If the world should end tomorrow and we only have today
 I'm gonna love you in every kind of way
 I wanna love you in every kind of way
 I wanna please you, no matter how long it takes
 If the world should end tomorrow and we only have today
 I'm gonna love you in every kind of way

I wanna love you
 I gotta love you
 I wanna love you
 I gotta love you
