

# Here At Last - Casting Shadows

tom:

Intro: E

[Primeira Parte]

I've been walking through this city

Tryna' find your face in strangers

I'd like to think you miss me

While I'm burning up these payments

I don't know why I'm searching

I don't know what I'm chasing

Any more

I've been fighting losing battles

Just to try and win the war

Hanging up on conversations

When I really wanna talk

I don't know what I'm saying

I don't know who to blame

Any more

And I'm lost this time for sure

[Refrão]

Oh, we're now here casting shadows to you

Just to fill the space you left in the room

If I had one more second chance

I will run right back to you

Have you found a way to love somebody new?

Or are you casting shadows too?

[Segunda Parte]

When I go back to that park where I met you in the summer

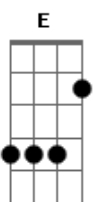

Nothing's as it was

Without you it has no colour

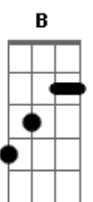

I don't know how to paint it

But I'm holdin' on to all these faded places
