

# Heritage Singers - You Are Holy

Tom: C

Here before Your throne  
 I've come to worship You  
 Worship you alone  
 Here, within my soul  
 The sun begins to rise  
 Until it overflow  
 Chorus:  
 You are holy  
 You are holy  
 I will leave my voice to You  
 And sing with the angels  
 You are holy  
 You are holy  
 We'll offer You a praise  
 In it mighty caress  
 You are holy  
 You are holy  
 Wonderful in all Your grace  
 Only You are holy, Lord  
 When Your love breaks through  
 And I'll slept away  
 By a glimpse of You  
 Then You make me new  
 Till I am in nothingness  
 Than what I find in You  
 (Chorus)  
 You are holy  
 You are holy  
 I will leave my voice to You

And sing with the angels  
 You are holy  
 You are holy  
 We'll offer You a praise  
 In it mighty caress  
 You are holy  
 You are holy  
 Wonderful in all Your grace  
 Only You are holy, Lord  
 Bridge:  
 One to the one  
 Who sits on the throne  
 And down to the land  
 Beyond the sin and on  
 Glory and power in praise  
 One to the one  
 Who sits on the throne  
 And down to the land  
 Beyond the sin and on  
 Glory and power in praise  
 All creation see  
 And the Heaven and Earth  
 Will made know  
 You are holy  
 You are holy  
 We'll offer You a praise  
 In it mighty caress  
 You are holy  
 You are holy  
 Wonderful in all Your grace  
 Only You are holy, Lord (3x)
