

Herman Düne - I Wish That I Could See You Soon

tom:
 F (forma dos acordes no tom de C)
 Capotraste na 5ª casa
 Intro: C F C G C F G C

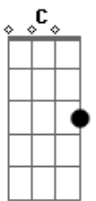

C F
 I had to leave you and go away
 C G
 But I, think about you every day
 C F
 In the morning and in the afternoon
 G C
 I wish that I could see you soon
 C F
 And when I held you I felt so fine
 C G
 It was like, there was nothing left on my mind
 C F
 It was like, Rockaway Beach in the month of June
 G C
 I wish that I could see you soon
 C F
 I had no plans to meet you, baby
 C G
 I had, a million things to do, baby
 C F
 But you hit my heart with a harpoon
 G C
 I wish that I could see you soon
 C F
 The angels go, "How long 'til you can see her?"
 C G
 And I'm like, "The sooner the better"
 C F
 "Do you, really think she will wait for you?"
 G C
 Well I have no way to say and there's nothing I can do
 G C
 Well I have no way to say and there's nothing I can do, go
 (C F C G C F G C)
 C F
 Now listen, now that I am across the sea
 C G
 I wonder if you're gonna wait for me
 C F
 Or if you're gonna find a new boy to spoon

G C
 I wish that I could see you soon
 C F
 And if you, wait a little my pretty friend
 C G
 Until I, come back to hold your hand
 C F
 We'll be like bugs when they break through a cocoon
 G C
 You know, I wish that I could see you soon
 C F
 It'd been a while since I felt like this
 C G
 And now I found someone I really miss
 C F
 Under the sun, under the moon
 G C
 I wish that I could see you soon
 C F
 Angels, "How long 'til you can see her?"
 C G
 And I'm like, "The sooner the better"
 C F
 "Do you, really think she will wait for you?"
 G C
 And I'm like, "There's no way to say and there is nothing I
 can do"
 G C
 Well there is no way to say and there's nothing I can do, go
 (C F C G C F G C)
 C F
 Angels again, "How long 'til you can see her?"
 C G
 And I'm like, "Well, the sooner the better"
 C F
 "Do you, really think she will wait for you?"
 G C
 And I'm like, "There's no way to say and there's nothing I can
 do"
 G C
 Well there is no way to say and there's nothing I can do
 G C
 Well there is no way to say and there's nothing I can do
 G C
 No way to say and there's nothing I can do
