

# Héster & Helena - Proibido Pra Neném

Tom: C

m (com acordes na forma de Dm)

Afinação: D G C F A D Dm

Você nem sabe mais eu tô te dando

Uns pegas todo dia mentalmente

E na verdade só tá te faltando sorte

Pra me ver na sua frente

Provoca quem sabe, resiste quem

Puder o meu limite vai até onde você quiser

Se bobear a gente se pega! se perguntarem a gente nega

Se acha que aguenta vem, vem só

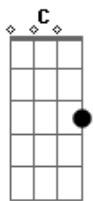

Vem pra acabar com o resto de juízo que ainda tem

Se acha que aguenta vem, vem só

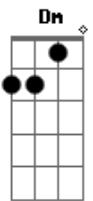

Vem o que eu tô imaginando é

Proibido pra neném
