

Hey Monday - 6 Months

Tom: G

Riff 1:

Riff 2:

Intro: Riff 1 e Riff 2

You're the direction I follow

To get home

When I feel like I can't go on

You tell me to go

And it's like I can't feel a thing

Without you around

And don't mind me if I get weak in the knees

Cause you have that effect on me

You do

Everything you say

Everytime we kiss I can't think straight

But I'm ok

And I can't think of anybody else

Who I hate to miss as much as I hate missing you

(Riff 2)

Months are going strong now, and all goodbye

Unconditional, unoriginal, always by my side

Meant to be together, meant for no one but each other

You love me, I love you harder, so

Everything you say

Everytime we kiss I can't think straight

But I'm ok

And I can't think of anybody else

Who I hate to miss as much as I hate missing you

So please, give me your hand

(Riff 1 - 3x Riff 2)

So please, give me your lesson on how to steal

Steal a heart, as fast as you stole mine

As you stole mine

Everything you say

Everytime we kiss I can't think straight

But I'm ok

And I can't think of anybody else

Who I hate to miss as much as I hate missing you

So please, give me your hand (Riff 1)

So please, just take my hand (Riff 2)
