

# Hey Monday - 6 Months

tom:

Intro: Riff 1 Riff2

You're the direction I follow

To get home

When I feel like I can't go on

You tell me to go

And it's like I can't feel a thing

Without you around

And don't mind me if I get weak in the knees

Cause you have that effect on me

You do

Everything you say

Everytime we kiss I can't think straight

But I'm ok

And I can't think of anybody else

Who I hate to miss as much

As I hate missing you

[Riff 2]

Months are going strong now, and all goodbye

Unconditional, unoriginal

Always by my side

Meant to be together

Meant for no one but each other

You love me, I love you harder, so

Everything you say

Everytime we kiss I can't think straight

But I'm ok

And I can't think of anybody else

Who I hate to miss as much

As I hate missing you

Riff 1

So please, give me your hand

Riff 1

So please, give me your

Riff 1

Lesson on how to steal

Steal a heart, as fast

As you stole mine

As you stole mine

Everything you say

Everytime we kiss I can't think straight

But I'm ok

And I can't think of anybody else

Who I hate to miss as much

As I hate missing you

Riff 1

So please, give me your hand

Riff 2

So please, just take my hand
