

Hey Monday - Shoud've Tried Harder

Tom: **D**

Bm
Some think that
G
they deserve more
Give a little like
D
it's become a chore
Don't demand things walk
G
yourself out the door
Bm
I fell flat on my
G
face too many times
Left with nothing but
some cheap perfume
D
Now you cry
Now you need me
Now that
G
perfume's not cheap

A **G**
But i told you

Refrão:
D
If you wanted to
G
be my only one
If you wanted to
see this happen
Em
Maybe you you
G
should've tried harder
D
If you thought i would
G

leap into your arms
everytime i would
see your face
Em
Then maybe you you
G
should've tried harder

Bm
Go on prove it
G
I'd love to see you try
Convince me that
you gave me the world
D
I tried and tried but
G
you never opened your eyes
Bm
You stand tall like
you've won some kind of award
G
But really i've never
D
seen someone so short
You'd look taller if
G
you gave me some more
A **G**
But i told you

(Repete o refrão)

Ponte
Bm
Some think that
they deserve more
G
Give a little bit

(Repete o Refrão)
