

Hey Violet - Fuqboi

Tom: G

[Verse]

There's this guy at my school
And he looks pretty good
Always asking me where we can kick it
All my friends think I'm wrong
But he's not what I want
'cause he's constantly begging for pictures
And when there's cute things he'd say
I bet he stole 'em from Drake
And did I mention he wears his mom's earrings
I know he's tall and he's fit
But I won't fall for it
Don't want his hands or his lips coming near me

[Chorus]

'cause he's a fuqboy
And they're all the same
They're the stain on your hearts reputation
Yeah you're a fuqboy
I've been through it before
I rather cut off my tongue
Then let you kiss me with yours
'cause you're a
'cause he's a

[Verse]

There's this cute guy down my street
I always wanted to meet
So I went creeping around on his socials
And all the selfies he takes
His head is tilted the same way
And his favourite hashtag is "beast mode"

[Chorus]

'cause he's a fuqboy
And they're all the same
They're the stain on your hearts reputation
Yeah you're a fuqboy
I've been through it before
I rather cut off my tongue
Then let you kiss me with yours
'cause you're a
'cause he's a

Don't want no fuqboy
'cause they're all the same
They're the stain on your hearts reputation

Then let you kiss me with yours
Yeah you're a fuqboy

[Outro]

'cause they're all the same
They're the stain on your hearts reputation
Yeah he's a fuqboy
And he'll never grow up
He probably yells at his mom
When he don't get what he wants
