

# hide - Lemoned I Scream

Tom: G

One day, I was walkin' down the streets  
 Looking for anything, any surprise  
 Feel like a treasure game on a rainy day  
 Then it happened suddenly  
 I saw, I saw  
 And there it was fallin' down into my feet  
 Then, you know, it had something spiny head  
 And I was gonna touch it  
 Then I got the pain  
 My fingers painted blood, but I feel so fine  
 Nobody could find out  
 But I knew, I saw  
 I don't care if nobody can love it, oh yeah  
 Because... ah ah ah ho  
 I've got a feelin' in my hand  
 It's a lemon lemon lemoned I scream!

One day, I was walkin' down the streets  
 Lookin' for the music, any surprise  
 Then it happened suddenly  
 I hear, I hear  
 I don't care  
 Everybody so hate it, hate it  
 Because... ah ah ah ho  
 I've got a sweet poison cake, gonna be high  
 Take me higher, higher  
 I've got a sweet creature song  
 It's a lemon lemon lemoned I scream!  
 I've got a sweet broken hearted machine  
 But I like it, like it  
 Oh, what a sweet monster people  
 It's a lemon, lemon, lemoned I scream!  
 Lemon lemon lemoned I scream!  
 Lemon lemon lemoned I scream!
