High School Band - Amphetamine

```
                              tom:
                  A
Intro: A  A7  A  A7  A

[Primeira Parte]

                A
On the seventh hour
                G
Of the seventh day
             D
The seventh son was looking
                          A
For a seventh stage get away
The word came down from
            G
A blinding light
          D
You got one chance baby
                       A
Baby you better do it right
                             G
I was driving down on the 101
         D
It was late at night and I was
                                A
Thinking 'bout the things I'd done
All of my regrets and
                G
Baby all of my fears
         D
I was slipping the car from
                A
Gear to gear to gear
Hey hey hey

[Segunda Parte]

                A
God bless the child
                G
God bless his soul
     D
God perish the idea that
                       A
He'll die before he's old
You gotta be cool
              G
You got to behave
     D
And there'll be time for that
                       A
When I'm lying in my grave

[Terceira Parte]

                           A
You gotta watch your step
                         G
Or you'll lose your way
       D
Take heed of your elders
                             A
And do everything they say
Watch out for the man
              G
The man who tolls the bells
           D
But if I fear for the

Devil and I fear for myself

Then I'm gonna have to

Fear for everybody else

[Refrão]

   A               G
Oh yeah I'm gonna fly

(sha la la la la mamma yeah)
            D                      A
I'm gonna live until the day I die
                           G
Ain't got time to wonder why
            D                      A
I'm gonna live until the day I die

A
  Sha la la la mama yeah
G
  Sha la la la mama yeah
D
  Sha la la la mama yeah
A
  Sha la la la mama yeah

Sha la la la mama yeah
G
  Sha la la la mama yeah
D
  Sha la la la mama yeah
A
  Sha la la la mama yeah

[Final] A  G  D
        A  G  D  A
```
