[Primeira Parte]

Before you go and make that face
 You make when you're mad at me
 So mad at me
 Let me say it's not my place
 Going through your voicemail
 And your history

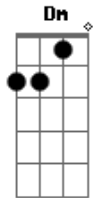

[Segunda Parte]

And if this were a TV show
 You know I'd have to go and plead
 Insanity
 'Cause the lyin' and spyin' and pryin'
 Isn't really my personality

This is my fault, my bad
 If I said a million sorrys
 How about a billion sorrys?
 Oooo
 You shine just like the stars
 And I'm not even a night light
 'Cause what I did wasn't so bright
 I'm really sorry

This is my fault, my bad

If I said a million sorrys
 How about a billion sorrys?
 Oooo
 Can't we just start again

Once upon a time I'm sorry
 Nothing else to rhyme with sorry
 I'm really sorry
