

High School Musical: The Musical: The Series - Wondering

```
tom:
               Gb
Intro: Gb Ebm Ab Db
Seems like a part of me will always have to lose
Every single time I have to choose
Swore that it felt right, but was I wrong?
   Db
Is this where I'm supposed to be at all?
I don't have the answers, not today
         Fbm
It's like nothing makes the questions go away
        Abm
                            Db
What I'd give to see if the grass was greener
On the other side of all I've had and lost
                                        Db4
Would it be enough, or would I still be wondering?
If I could go back and change the past
Be a little braver than I had
And bet against the odds
       B
Would I still be lost?
Even if I woke up in my dreams
Would there still be something I'm missing
                                        Db4
        Abm
                                  В
If I had everything, would it mean anything
   Gb Eb7 Abm B Db4 Db
To me?
            Gb
Feels like I might have broke the best thing that I had
I said too much to ever take it back
Scared I'll never find something as good
And would I even know it if I could?
```

```
From the other side of all I've had and lost
Would it be enough, or would I still be wondering?
(Or would I still be wondering, oh)
If I could go back and change the past
Be a little braver than I had
        Abm
And bet against the odds
        В
                    Dh4
Would I still be lost?
Gb
Even if I woke up in my dreams
Would there still be something I'm missing
If I had everything, would it mean anything
Maybe I should turn around and take the other road
Or maybe I'm just looking for what I already know
            Db
I'm just wondering
If I could go back and change the past
Be a little braver than I had
        Ahm
And bet against the odds
        В
Would I still be lost?
Gh
Even if I woke up in my dreams
Would there still be something I'm missing
         Abm
If I had everything, would it mean anything \begin{tabular}{c|c} \bf B & \bf Ebm & \bf Abm & \bf B & \bf Db \end{tabular}
To me?
Would it be enough
Or would I still be wondering?
```
