

High School Musical - What Time Is It

Tom: F

What time is it? Summer time! Its our vacation!
 What time is it? Party time! That's right, say it loud?
 What time is it? The time of our lives! Anticipation!
 What time is it? Summer time! School's out, scream and shout!
 Finally summer's here?good to be chilling out
 I'm off the clock, the pressure's off, now my girl's what its all about
 Ready for some sunshine, for my heart to take a chance
 I'm here to stay, not movin' away, ready for a summer romance

Everybody ready, going crazy, yeah we're out
 Come on and let me hear you say it now, right now!
 What time is it? Summer time! Its our vacation!
 What time is it? Party time! That's right, say it loud?
 What time is it? The time of our lives! Anticipation!
 What time is it? Summer time! School's out, scream and shout!

Goodbye to rules, no summer school, I'm free to shop 'til I drop
 It's an education vacation, and the party never has to stop
 Got things to do?we'll see you soon, and we're really gonna miss you all
 Goodbye to you, and you, and you and you, bye-bye until next fall

Everybody ready, going crazy, yeah we're out
 Come on and let me hear you say it now, right now!
 What time is it? Summer time! Its our vacation!
 What time is it? Party time! That's right, say it loud?
 What time is it? The time of our lives! Anticipation!
 What time is it? Summer time! School's out, scream and shout!
 No more wakin' up at 6 a.m, 'cos now our time is all our own
 Enough already, we're waiting, come on, let's go?.(go out of control!!)
 School pride lets show it! Champions we know it!
 Wildcats?are the best?.Red and White and Gold!
 When its time to win, we do it! We're number 1, we proved it!
 Let's live it up?.party down?that's what this summer's all about!
 What time is it? Summertime is finally here
 Lets celebrate! Wanna hear you loud and clear
 School's out! We can sleep as late as we want to
 It's our time! Now we can do whatever we wanna do
 What time is it? It's summertime!
 We're loving it! Come on and say it again now!
 What time is it? Its party time!
 Lets go and have the time of our lives!!
