

High School Musical - Wondering

```
tom:
Intro: Gb Ebm Ab Db
Seems like a part of me will always have to lose
Every single time I have to choose
Swore that it felt right, but was I wrong?
   Db
Is this where I'm supposed to be at all?
I don't have the answers, not today
         Fbm
It's like nothing makes the questions go away
        Αb
                            Db
What I'd give to see if the grass was greener
On the other side of all I've had and lost
                                       C#sus4
Would it be enough, or would I still be wondering?
If I could go back and change the past
Be a little braver than I had
And bet against the odds
       B
Would I still be lost?
Even if I woke up in my dreams
Would there still be something I'm missing
                                        C#sus4 Db
If I had everything, would it mean anything
   Gb Eb7 Ab
                   B C#sus4 Db
To me?
Feels like I might have broke the best thing that I had
I said too much to ever take it back
Scared I'll never find something as good
```

From the other side of all I've had and lost
Would it be enough, or would I still be wondering?
(Or would I still be wondering, oh)
If I could go back and change the past
Be a little braver than I had
       Ab
And bet against the odds
                   C#sus4 Db
       В
Would I still be lost?
Gb
Even if I woke up in my dreams
Would there still be something I'm missing
                                  B C#sus4 Db
If I had everything, would it mean anything
Maybe I should turn around and take the other road
Or maybe I'm just looking for what I already know
I'm just wondering
If I could go back and change the past
Be a little braver than I had
       Ah
And bet against the odds
       В
Would I still be lost?

Even if I woke up in my dreams
Would there still be something I'm missing

If I had everything, would it mean anything

To me?
Would it be enough
Or would I still be wondering?

And would I even know it if I could?
