Look what they do to you

Look what they do to me

Get up off your knees, girl

Stand face to face with your God

And I came down from the stars

(Hello, my name is human)

(Am F)

I'm ready for love

And I'm ready for war

But I'm ready for more

I know that nobody's ever been

Or don't figure it out

I figured it out

The bigger the drought

(The bigger the drought)

(Cm Dm E D)

[Refrão]

A
Get up off your knees, boy

Stand face to face with your God

(I'm not asking questions)

('Cause questions have answers)

(And I don't want answers)

F
I came down from the stars

(So I'll take my chances)

(And what are the chances)

(That I could advance)

(On my own circumstances)

Am
(Said "what are the chances?")

Hello, my name is human

(And what are the chances?)

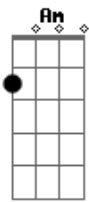

(I don't want your answers)

(I'm not asking questions)

And I know who I am
