

# Hillsong United - Delightful (The Sower Never Wastes a Tear)

tom:

G

[Primeira Parte]

G  
There is mercy in the moments When the burden is an ocean in a  
Em  
Teardrop  
C  
There is healing when the heartache  
G  
Weighs a mountain  
Em D  
In the grieving of a love lost

[Refrão]

C  
Only time will tell  
G D Em  
All the faithfulness of Your hand, Lord  
C  
All the joy we'll find  
G D  
In the grace You sow in this valley of  
Em  
Tears  
D C  
Heavy as the sorrow is here

[Segunda Parte]

G  
I know there'll come a day when we sing  
Upon these ashes  
How Your beauty made this valley so  
Em  
Delightful  
C  
And we'll laugh upon that mountain  
G  
How this Everest of grief became our  
Em  
Dance floor  
C  
Only time will tell  
G D Em  
All the faithfulness of Your hand, Lord  
C  
All the joy we'll find  
G D  
In the wild delight only heaven could  
Em  
Yield  
D C  
Heavy as the sorrow is here  
G  
I know the Sower never wastes a tear

[Ponte 1]

G  
So, I'll wait  
D  
Long as heaven takes  
One day I'll see the joy You make of  
C  
This  
?Cause ain't nothing gonna stop Your

G  
Faithfulness  
G  
So, I'll wait  
D  
Long as heaven takes  
One day I'll see the joy You make of  
C  
This  
How You never let a single tear go  
G  
Wasted

[Ponte 2]

G  
So, I'll wait  
D  
Long as heaven takes  
One day I'll see the joy You make of  
C  
This  
How You take my sorrow and You turn it  
G  
Into delight

G  
So, I'll wait  
Em  
Long as heaven takes  
One day I'll see the joy You make of  
C  
This  
G  
Sooner or later, either way I'll see

[Ponte 3]

D  
I'm gonna see  
Em  
How You turn this thing around  
C  
Turn my mourning into dancing  
Am  
Turn this sorrow into joy  
C  
Come the morning light  
G  
Oh, I'll sing Your praise  
D  
I'll sing Your praise  
Em  
?Cause ain't nothing gonna stop  
C  
Your faithfulness  
G  
Come the morning light  
D  
All through the night  
Em D  
One day I'll see the joy You make  
C  
Of this  
?Cause I know the Sower never wastes a  
G  
Tear
