

Hillsong United - Devotion

Tom: G

C D Em

C D
I've been running trying to be one who sees
Em
I've been working salvation out of my knees
C D
there is nothing better than knowing
Em
we are redeemed
C D
I'm believing trusting in creative hands
Em
I am praying for our world to bow to Your plan
C D
and this one thought is unmistakeable
Em
I take up my cross and follow You lord

Em D

G
when You stand the tall trees and mountains bow
Em
when You speak the fiercest of oceans is still
C
and I see
D
sinners seek devotion
Em

lost become chosen
C
and I fall to my knees

C D
I'm forgiven by a Savior who did not deserve death
Em
He was blameless, when I was lost in shamefulness
C D
I'm delivered but it doesn't seem right
Em
unless I keep my eyes focused on the Savior who gave His life
C D
in the middle of a world that denies it believes
Em
it is breaking apart at the very seam
C D
in this one thing to be alive for
Em
and it's to take up my cross and follow You lord

C D Em

G
I will take up my cross and
C
follow Lord where You lead me
Em
I will take up my cross
D C
and follow wherever You go
