

# Hillsong United - For All Who Are To Come

Tom: **B**

Variação : **E**      **Gb**

**E**      **Gb**  
Since we are surrounded  
By such a great cloud of witnesses  
Let us run  
Let us run with perseverance  
The race marked out  
Let us make a way  
For those who are to come

Those who are to come

**E**      **Gb**

Every generation  
Every nation  
Every tribe  
Every tongue  
They will sing  
They will pray  
That the world would sing...

Hosanna
