

# Hillsong United - Greatest Of These

Tom: E

I could chase after greatness  
 First to fall on my knees  
 Lose myself to be found where You want me  
 I could do all the right things  
 Sing the words till they bleed  
 But I know it's just noise  
 If I don't have love

So I won't waste my breath if it's not for love  
 I don't have the heart if it's not for love  
 Don't let me say it's faith if it counts no cost  
 'Cause there's no fear in love, but there is a cross

I could speak like the angels  
 Prophecy, knowing all  
 I could live with the faith to move mountains  
 And should I die like a martyr  
 Give my wealth to the poor

It would all scream loud-nothing if I don't have love

So I won't waste my breath if it's not for love  
 I don't have the heart if it's not for love  
 Don't let me say it's faith if it counts no cost  
 'Cause there's no fear in love, but there is a cross

Be patient, be kind  
 Hold no envy or pride  
 Be the first to come last  
 For a - nother  
 Never forced, slow to anger  
 Trust without keeping score  
 Long to suffer with truth  
 Love will never die

Oh, I won't waste my breath if it's not for love  
 I don't have the heart if it's not for love  
 Don't let me say it's faith if it counts no cost  
 'Cause there's no fear in love, but there is a cross  
 Love will never die, but there is a cross
