

Hillsong United - Heaven Knows

Tom: C

Hold my heart, don't let it bleed no more
 Sometimes forgiveness is like a man at war
 God only knows why love is worth the fall
 Maybe that's what makes it love
 Maybe that's what makes it love

I can hear it now
 The everlasting sound
 Roaring like a lion deep within me
 I won't hold it long
 I wasn't made that strong
 Sweet Surrender, hold my heart and not let go
 I'm letting go
 And Heaven knows

I love you so
 (Am F C)

Hold my heart, don't let it break like fear
 Sometimes a moment feels like a thousand years
 God only knows why love is drenched in tears
 Maybe that's what makes it love
 Maybe that's what makes it love

(Am F C)

Then sings my soul
 Then sings my soul
 How great your love is
 How great your love is
