

Hillsong United - Highlands (Song Of Ascent)

Tom: G

Intro: Em7 D C G

Oh how high would I climb mountains
Em7 C D G

If the mountains were where You hide

Oh how far I'd scale the valleys
Em7 C D G

If You graced the other side

Oh how long have I chased rivers
Em7 C D G

From lowly seas to where they rise

Against the rush of grace descending
Em7 C D G

From the source of its supply

[Pré-Refrão]

Cause in the highlands and the heartache
C D Em7 G D

You're neither more or less inclined

I would search and stop at nothing
C D Em7 C

You're just not that hard to find

[Refrão]

I will praise You on the mountain
G D

And I will praise You when the mountain's in my way
Em7 D C

You're the summit where my feet are

So I will praise You in the valleys all the same
G D

No less God within the shadows

No less faithful when the night leads me astray
Em7 C

You're the heaven where my heart is

In the highlands and the heartache all the same
Em7 D C G

[Segunda Parte]

Oh how far beneath Your glory
Em7 C D G

Does Your kindness extend the path

From where Your feet rest on the sunrise
Em7 C D G

To where You sweep the sinner's past

Oh how fast would You come running
Em7 C D G

If just to shadow me through the night

Trace my steps through all my failure
Em7 C D G

And walk me out the other side

[Pré-Refrão]

For who could dare ascend that mountain
C D Em7

That valleyed hill called Calvary
G D

But for the One I call Good Shepherd
C D Em7

Who like a lamb was slain for me

[Refrão]

I will praise You on the mountain
G D

And I will praise You when the mountain's in my way
Em7 D C

You're the summit where my feet are

So I will praise You in the valleys all the same
G D

No less God within the shadows

No less faithful when the night leads me astray
Em7 D C

You're the heaven where my heart is

In the highlands and the heartache all the same
Em7 D C G

[Ponte]

Whatever I walk through
Em7 D

Wherever I am

Your Name can move mountains
C G

Wherever I stand

And if ever I walk through
Em7 D

The valley of death

I'll sing through the shadows
C G

My song of ascent

My song of ascent, ooh, ooh
Em7 D C G

My song of ascent, ooh, ooh
Em7 D C G

From the gravest of all valleys
C D Em G D

Come the pastures we call grace

A mighty river flowing upwards
C D Em

From a deep but empty grave

So I will praise You on the mountain
G D

And I will praise You when the mountain's in my way
Em7 D C

You're the summit where my feet are

So I will praise You in the valleys all the same
G D

No less God within the shadows

No less faithful when the night leads me astray
Em7 D C

You're the heaven where my heart is

In the highlands and the heartache all the same
Em7 D C G
