

Hillsong United - On Repeat

tom:

C

Every time I come running
I find grace on repeat
You welcome me with open arms
No matter where I have been
Every time I surrender
Every time I fall
I find grace more precious
Than I did before

[Refrão]

I'm gonna lay my world down
Here at Your feet
Look to the heavens
For all I need
I'm gonna sing my heart out
Praise on repeat
To the God who's never given up on me
