

Hillsong United - Perfect Love

Tom: C
Intro: 2x: Am F C G

I wanna see the broken heart
finding hope in God above
I wanna know I'm doing all I can

So with this life, with all I am
No matter what their cost may be
I pray to see your love become our cause

I won't stop believing
You alone are, You alone are God
In You there's freedom

Your love brings me to my knees again
We're gonna bring an anthem of love
We're gonna live for you now

This perfect love, I can't explain
This way of life that has no end
Your mercy satisfies, it's all I need

My purpose found in You alone
to love the lost and bring them home
We were made to glorify our king

I won't stop believing
You alone are, You alone are God
In You there's freedom

Your love brings me to my knees again
We're gonna bring an anthem of love
We're gonna live for you now

May your love become my every thought
I wanna know the center of your heart
I wanna live for you now

(F G Am G F G C)

Singing You, you bring me life
You bring me hope
You're all I need
