

# Hillsong United - So Will I (100 Billion X)

Tom: G

C  
God of creation  
Em D C Em D  
There at the start, before the beginning of time  
C  
With no point of reference  
Em D C G D  
You spoke to the dark and fleshed out the wonder of light

G  
And as You speak  
Em D  
A hundred billion galaxies are born  
G C  
In the vapour of Your breath the planets form  
Em C G  
If the stars were made to worship, so will I  
Em D  
I can see Your heart in everything You've made  
G C  
Every burning star, a signal fire of grace  
Em C G Em D G  
If creation sings Your praises, so will I

C  
God of Your promise  
Em D C Em D  
You don't speak in vain, no syllable empty or void  
C  
For once You have spoken  
Em D C G D  
All nature and science, follow the sound of Your voice

G  
And as You speak  
Em D  
A hundred billion creatures catch Your breath  
G C  
Evolving in pursuit of what You said  
Em C G  
If it all reveals Your nature, so will I  
Em D  
I can see Your heart in everything You say  
G C  
Every painted sky, a canvas of Your grace  
Em C G Em  
If creation still obeys You, so will I  
D G C Em D C Em D  
So will I, so will I  
C Em D

If the stars were made to worship, so will I  
C Em D  
If the mountains bow in reverence, so will I  
C Em D  
If the oceans roar Your greatness, so will I  
C Em D  
For if everything exists to lift You high, so will I  
C Em D  
And if the wind goes where You send it, so will I  
C Em D  
If the rocks cry out in silence, so will I  
C Em D  
If the sum of all our praises still falls shy  
C Em D C Em D  
Then we'll sing again a hundred billion times  
C Em D  
Whoa

C  
God of salvation  
Em D C Em  
You chased down my heart through all of my failure and pride  
C  
On a hill You created  
Em D C G D  
The light of the world abandoned in darkness to die

G  
And as You speak  
Em D  
A hundred billion failures disappear  
G C  
Where You lost Your life so I could find it here  
Em C G  
If You left the grave behind You, so will I  
Em D  
I can see Your heart in everything You've done  
G C  
Every part designed in a work of art called love  
Em C G  
If You gladly chose surrender, so will I  
Em D  
I can see in Your heart, eight billion different ways  
G C  
Every precious one, a child You died to save  
Em C G  
If You gave Your life to love them, so will I  
Em D  
Like You would again a hundred billion times  
G C  
But what measure could amount to Your de - sire  
Em C G  
You're the One who never leaves the one behind
