

# Hillsong United - Starts And Ends

tom:

Intro: Bm D G

My soul thirsts for things I can't explain

In my bones a beckoning to pray

If my heart is a battleground

My defenses run both ways

The flesh is a beggar and thief

But there is a Spirit-man awakening me

When real life and peace won't make amends

When all these starts

Start feeling like these ends

Like the world is unraveling

And I'm bound to come undone

There is a Shepherd a Priest

There is a Comforter who comforts me

And my soul finds rest

Where it makes no sense

There the blood sets me free

All my old regrets

All my brokenness

All my failures redeemed

And it feels like grace

Where I stacked my shame

There the cross stands for me

All the things I've done

All the times I've run

All my dead ends redeemed

And it looks like hope

Where my heart was broke

And His heart broke for me

Lay your burden down upon

Down upon Him

Lay your burden down

Lay your burden down

Lay your burden down

Jesus my rest in peace

My reconciler

You're my every good thing

I surrender all

All I'm living for

You're my every good thing

You're my amnesty

You're my split wide sea

You're my every good thing

All my days and nights

You're my death to life

You're the wonder I breathe

You're my can't explain

First and last refrain

You're my every good thing

## Acordes
