

Hillsong United - The Freedom We Know

Tom: G

(intro)

We're gonna dance dance dance in the freedom we know
 We're gonna dance dance dance in the freedom we know
 We're gonna dance dance dance in the freedom we know
 Because the freedom we know is gonna last forever

The world turns in all of it's ways

But i'm soul set on a holy name

And when all the earth is said and done still i praise him

There's no end to the love that he gives

And now broken dreams have life again

In the hope of a risen king so let us praise him

(pré-refrão)

A mystery unthinkable

That he took the fall just to save our soul

Now to love is the life i know
 On and on and on we'll be singing

(refrão)

Soul set free in the one i love

Come on, come on

And let the whole earth sing

In the freedom we know

come on, come on and praise him

Come come all the lost and the found

Let us rise up with a holy sound

All the earth unified as one just to praise him

In full view with nothing to hide

Like a city on a hill we're gonna shine

In the light of your freedom let us praise him
