

Hillsong United - Uneding Love

Tom: D
Intro: Bm G D

Verso 1:

There's no silver or gold
And no treasure untold
That could draw me away from Your heart
Neither love of myself
Or of anyone else will do

Pré-Refrão:

Jesus nothing compares
To this grace that rescued me
Savior now and forever
Your face is all I seek

Refrão:

D

Now all I am
I lay at Your feet
I'm humbled by the wonder of Your majesty
One thing I know
I find all I need
In your unending love
In your unending love
(Bm G D)

Verso 2:

Letting go of my pride
I lay down my destres
Just to worship in spirit and truth
More than all of my dreams
More than fame I will seek You Lord
