

Hillsong United - Your Love Is Like Fire

Tom: E
Intro: E Dbm A B E

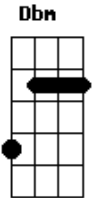

And I am desperate for Your touch
 A glimpse of heaven through the glory of Your son
 In a moment You can turn a life around
 Forever to be found in You
 And I'm reaching out to find
 There's nothing greater then the love that holds my life
 Your grace and mercy have saved me by Your blood
 And swept away my shame away O Lord
 Your love is like a fire
 It burns for all to see
 My only desire to worship at your feet
 So let this fire consume my life
 Let Your love take me deeper
 Draw me closer to where you are

'Cause all I want is more of You
 And I'm surrendered to Your love
 Forever humbled by the message of the cross
 I stand abandoned in Your presence and embrace
 I'll never be the same O God
 Your love is like a fire
 It burns for all to see
 My only desire to worship at your feet
 So let this fire consume my life
 Let Your love take me deeper
 Draw me closer to where you are
 'Cause all I want is more of You
 When you call I will follow
 At the cross I surrender all
 Jesus I belong to You
