

# Hillsong Worship - In Control

Tom: G

**Em**  
From heaven you can hear  
**G**  
I know you're drawing near  
**C** **D**  
As I worship

**Em**  
I'm held within your love  
**D**  
The wind and waves will come  
**C**  
But I will stay here

**G**  
I lift my hands to heaven  
**D**  
Here my heart surrender  
**Em**  
I tell my soul again  
**C**  
You are lord of all

**G**  
Though the seas are ranging  
**D**  
You will speak and tame them  
**Em**  
In you I find my rest

**D** **C**  
You are in control

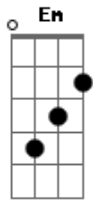

**Em**  
Through valleys I will trust  
**G**  
Your spirit is enough  
**C** **D**  
To keep me walking  
**Em**  
You guide my every step  
**G**  
Speak life to me again  
**C**  
Lord I need you  
**D**  
How I need you

**G** **D**  
And I will trust in only you  
**Em** **D** **C**  
No one can add to your perfection  
**G**  
You're the beginning and the end  
**D**  
More than I can comprehend  
**Em** **D**  
There is no one like you  
**C**  
No one (Jesus)
