

Hillsong Young & Free - Heart Of God

```
[Verso 3]
Intro: Gbm E D A
Bm A E D
                                                                         E D
                                                               Gbm
                                                           They say that it's impossible Bm A E D
[Verso 1]
                                                           To ever save a sinner?s soul
      Е
             D
                                                               Gbm E D A
Here I stand before You now
                                                           But my God says to the prodigal
 Bm A E D
                                                             Bm A E D
As honestly as I know how
                                                           My beloved one you're welcome home
Gbm E D A
Broken by the days gone by
                                                           [Refrão]
         A E D
Spirit, help my soul to rise
                                                           Your mercy triumphs over judgment
(Gbm E D A)
                                                                        D
(Bm A E D)
                                                           Love wider than horizons
                                                                         Bm
[Verso 2]
                                                           Stronger than all sin
      Е
                                                           Lord, Your kindness, leads us to repentance
I try my best, but still I fail
                                                           To the heart of God
And even then You're with me there
                                                                   E D
                                                           Your heart oh God, is all I want
You remind me I?m a child of God
                                                           [Ponte]
 Bm A E D
Regardless of the things I?ve done
                                                                          D
                                                           All to Jesus I surrender
My hope is found in perfect love
                                                                            Gbm A
                                                           All to Him I freely give
[Refrão]
                                                           I will ever love and trust Him
                                                                            Gbm
Your mercy triumphs over judgment
                                                           In His presence daily live oh oh
              D
                                                           [Refrão]
Love wider than horizons
Stronger than all sin
                                                           Your mercy triumphs over judgment
        A A
Lord, Your kindness, leads us to repentance
                                                                         D
                                                           Love wider than horizons
To the heart of God
                                                           Stronger than all sin
Your heart oh God, is all I want
                                                                    A A
                                                           Lord, Your kindness, leads us to repentance
( Gbm E D A )
( Bm A E D )
                                                           To the heart of God
                                                           Your heart oh God, is all I want
