

# Hillsong Young & Free - Never Have I Ever

tom:

Intro: C Em Am F

Fell in love with the chase  
I've been up and down  
And all over the place  
Wasting all my days and nights  
Never feeling satisfied

Putting on a smile

But there's no imitating  
What I've found in Your grace  
All the things I've left behind  
Are shadows now I've seen the light

In my head and my soul  
With my heart, my all  
I know that I  
Know, know, know (oh)

Never, never have I ever  
Ever found a love so good, so good  
And never, never am I ever  
Ever getting over living with You  
Nothing will change it  
All I can say is  
Never, never have I ever  
Ever found a love so good, so good

I've got a million reasons  
Why I can't be the same  
You've got me looking forward  
Never turning my gaze

Forever God and It's You and I  
Together till the end of time

In my head and my soul  
With my heart, my all  
I know that I  
Know, know, know (oh)

Never, never have I ever  
Ever found a love so good, so good  
And never, never am I ever  
Ever getting over living with You  
Nothing will change it  
All I can say is

Never, never have I ever  
Ever found a love so good, so good

Your love is patient, love is kind  
Your love is never hard to find  
Forever I am yours and You're mine  
All right, all right

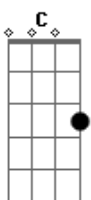

Never, never have I ever  
Ever found a love so good, so good  
And never, never am I ever  
Ever getting over living with You  
Nothing will change it  
All I can say is

Never, never have I ever  
Ever found a love so good, so good

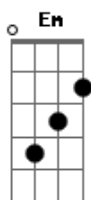

( C F C F )

Never have I ever no  
Never have I ever no
