

Hillsong Young & Free - Passion

Tom: E

VERSE 1?

In the grove

When Your cup seemed too much

With the worst yet to come

I was on Your mind

On the cross

As the crowds cursed Your Name

Heaven's eyes turned away

Still You thought of me

PRE-CHORUS ?

I know You love me so

(E D A Gbm)

VERSE 2

Through it all

You were thinking of me

Even death couldn't keep

All Your love from me

You died so that I could have life

There's no greater love than this

PRE-CHORUS

I know You love me so

I know You love me so

Ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh

CHORUS 1

Your love is still the same

Beginning and forever

I sing of all Your passion won for me

I sing of what Your love has done in me

Your love will never change

Beginning and forever

I sing of all Your passion won for me

I sing of what Your love has done in me

BRIDGE 1

I've found You, I've found You

I've found You

I've found You, I've found You,

I've found You

CHORUS 2

You're brighter than the sun

Risen from the shadows

Seated on the throne of Majesty

Higher than the skies and all we see

You're brighter than the sun

Risen from the shadows

Seated on the throne of Majesty

Higher than the skies and all we see

Repeat BRIDGE 1

BRIDGE 2

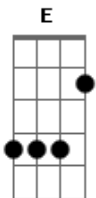

I love You, I love You

I love You

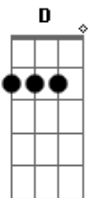

I love You, I love You

I love You
