

# Hillsong Young & Free - Uncomplicated

tom:

G  
There's a simplicity, humility  
To the way You love me  
An honesty, a purity  
God, You make it easy  
No special words or formulas  
Could ever win You over  
For Your love is undeserved  
Am Em D  
Even when I can't see clearly  
Am Em D  
Somehow You still make it easy  
G D Em  
Your love's uncomplicated
